## Publication of Earnings

As for recent years all GP Practices are required to declare the mean earnings for GPs working to deliver NHS services to patients at each practice.

The average pay for GPs working in the Overdale Medical Practice in the last financial year was £75,666 before tax and national insurance. This is for 3 full time GPs and 4 part time GPs who worked in the practice for more than six months.

In view of the fact that there are no hard and fast guidelines in place we must issue a disclaimer against any action which may or may not be taken with regard to the publication of this information.
